

Invitation

## **MMIG46 Safety Seminar 2018 on Elba, with Joe Casey & accompanying program**

Thursday 20th – Sunday 23rd September 2018

Dear Sirs,  
Dear PA46 enthusiasts,  
Dear Members,

As you already know, we have organized another Safety Seminar this year in connection with a Fly-In to Elba.

We have been able to engage the American PA46 specialist Joe Casey as a speaker and Flight-Trainer.

Beside John Mariani, Joe Casey is considered to be a leading expert in the field of aviation safety.

For the last 19 years he has been passionately interested in the

PA-46 Malibu/Mirage/Matrix/Jetprop/Meridian.

In his opinion, the PA46 is one of the best aircraft available.

There will be flight-training on the PA46, TBM, UH-60 Blackhawk and Spornrad planes.

For years now we have been carrying out Safety Seminars in theory and practise. We care about the safety of our members!

**Please take part in this seminar and sign up now so that we can make the necessary arrangements!**

For the accompanying ladies and those who do not wish to take part in the seminar, we are providing a special and very interesting program.

We have reserved a sufficient number of rooms at the 5-Star Hotel Hermitage in the Bay of Biodola, right next to the sea and with its own private beach. Adequate catering will be provided during the seminar.

Biodola is the most beautiful bay on the island with white sand and crystal-clear water.

Quiet bays, crystal-clear water, a mild climate and splendid plants make the beautiful little island of Elba to an insider-tip off the coast of Tuscany.

With houses in warm summer colours, 10 km from the coast, just 27 km long and between 3 and 17 km wide, Elba is Italy's third biggest island after Sicily and Sardinia.

The Monte Capanne is with its 1019 m Elba's highest mountain. When the weather is good, we can go up the mountain in little yellow “cages” with the Cabinovia Monte Capanne, From up here there is an amazing panoramic view over the island and as far as Sardinia.

In Marina di Campo we will have lunch at the Restaurant Kontiki.

We will be visiting the charming little mountain and artist village Capoliveri with its matchbox houses and picturesque Piazza. It is the most popular mountain village on the island.

On the way back from Capoliveri we will stop for lunch at the vineyard in the Agriturismo-Restaurant SAPERETA.

Dear Members and all PA46 enthusiasts and those who would like to be one, you are cordially invited to join us for the seminar and / or the accompanying program.

You will find the program attached.

**As usual, the first registrations will be allocated the best and nicest rooms!**

The Seminar is free for members.

For non-members the price of the seminar is €350.00.

For the 3-hour-long flight-training (including briefing and de-briefing) with Joe Casey there will be a small fee of €455.00

Participant fee is €699.00 per person sharing a double room.

Participant fee is €849.00 per single room.

Registrations here: <https://mmig46.org/index.php/anmeldung>

Password: mmig46

Registrations close: 25th July 2018

Payment of the participant fee by 25th July, 2018 at the latest

We hope that as many as possible will be able to take part and look forward to seeing you again soon and spending a pleasant weekend with you.

As always – Safe flying.....

With the best greetings from your

Malibu Mirage Interest Group MMIG46

On behalf of the Committee

Wilhelm Schröer
