Dear Members,

“Our” Hotel *Schloss Seefeld* is an oasis of luxury and style. Nestled in a breathtaking landscape, this hotel offers first-class accommodation and amenities. Guests can look forward to elegant rooms with a view of Lake Wörthersee, enjoy culinary delights in the hotel's restaurants and immerse themselves in the superbly equipped wellness area. The castle itself exudes majestic splendor and adds a touch of regal flair to

any stay here. It is the perfect place to relax, to enjoy and to fully experience the beauty of **Techelsberg** and the surroundings.

With its 30,000 m², the private castle park is the largest at Lake Wörthersee.

The restaurants in the Hotel *Schloss Seefeld*, which have been awarded three Gault Millau toques, offer a high-class culinary experience.

“To eat is a necessity, to enjoy is an art.”
François de La Rochefoucauld

And, of course, it is particularly convenient to travel by boat on the lake.

Reifnitz Castle is now in private hands, but remains one of the sights to see at Maria Wörth – a great photo opportunity!

Of course, there are other experiences that are possible in the beautiful area around Lake Wörthersee.
