For Friday a tour of Lake Wörthersee has been planned. The historic ships *Lorelei* and *Loretto*, both from 1924, will add to our impressions.

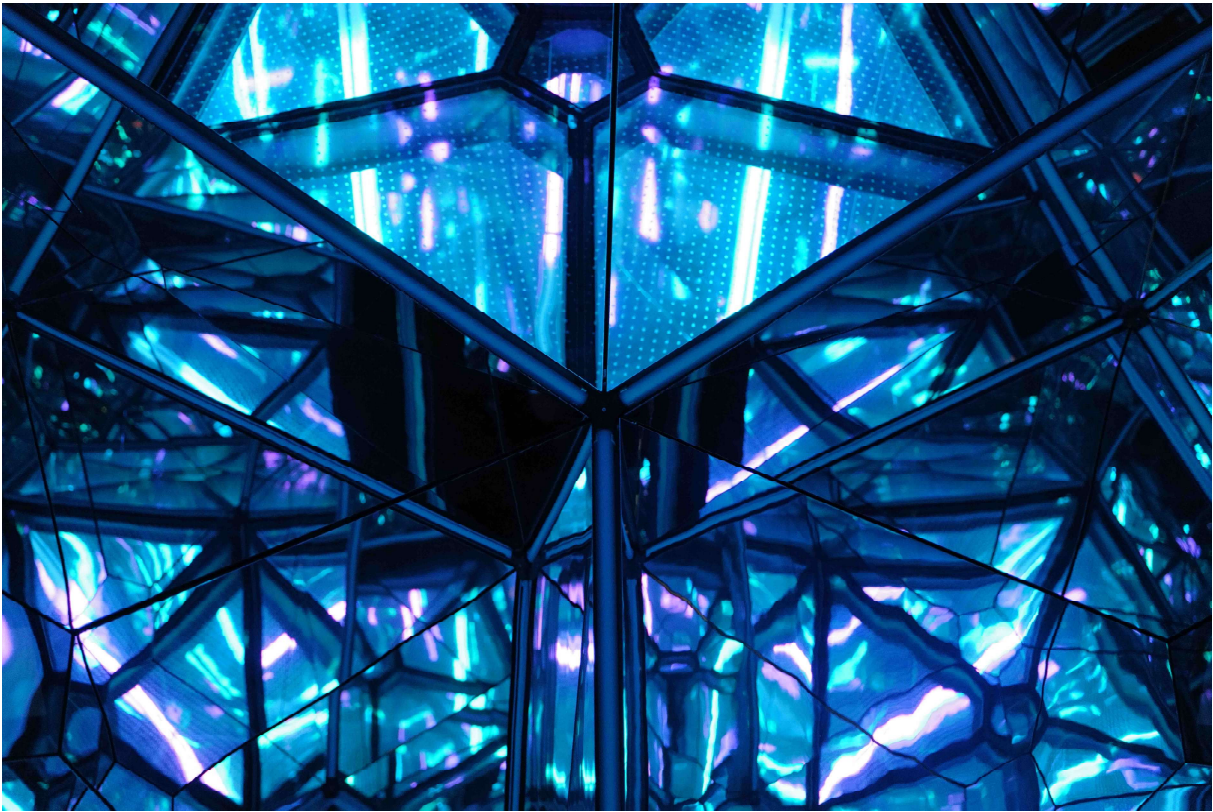

After lunch, a 90-minute city tour of Klagenfurt, the largest town in Carinthia.

On Saturday we'll be visiting two very impressive places.

Alfred Riedl's Taggenbrunn Castle with André Heller's sensational exhibition *Time Spaces*. Fascinating!

A spectacular lunch in the no less spectacular *Lilienberg Vineyard* will amaze us. Unique in every way!

Gourmet cuisine at the highest level – prepare to be surprised!

In the evening a light dinner at *Schloss Seefels*.

Sunday - yes and the day of departure has come around again.
Certainly enriched by the discoveries and experiences during our Fly-in to Wörthersee 2025.

Important:

For dog lovers: it is not Possible to bring your faithful four-legged friend with you to the *Hotel Schloss Seefels*! So please, either leave the dog at home or find other accommodation near our hotel!
